DETAILED ACTION

Claim Objections

Claims 1-67 are objected to because of the following informalities: In claim 1, line 3; "casing hanger which connected" should be --casing hanger which is connected-- . Also, all of the claims contain acronyms such as BOP, THRT, ROSL; these must be replaced with the full nomenclature in that acronyms are not acceptable claim language. Appropriate correction is required.

Allowable Subject Matter

Claims 1-67 would be allowable if rewritten or amended to overcome the claim objections, set forth in this Office action.
